

Dear Andreas

Many thanks for delivering the table. The 3m length sleepers make for a dramatically beautiful table top, and the whole work now constitutes one of the best pieces of furniture I have. I am really pleased with it!

I confirm I have paid R3773-87 to your account (your reference: Sholto. This is the balance between Invoice 102156 for R7273-87 and the deposit of R3,500 already paid).

We can discuss the reworking of the old table in due course.

Best regards

Sholto Cross
